BINGO

The North Bay Y Titans, like most non profit groups relies on it members to raise funds for the club. Our most successful endeavor is our participation in running Bingo sessions. We are able to raise approximately **\$25,000** a year by working every other Sunday for the 6pm session. These funds must go directly toward the needs of the swimmers, including equipment, banquets, Christmas party, etc. These funds help keep the costs of membership in the club at reasonable level.

All members of the NBYT are asked to share in this endeavor. It is a great opportunity to spend time with other parents and share successes, challenges and ideas. For new families, it is a wonderful opportunity to learn about the club and the sport.

We are required by the City of North Bay to register all workers, therefore we ask that you provide the name or names of the family members (over 18) that will be helping out by working your share of sessions over the course of the year.

Each family will be assigned an equal number of dates and it will be your responsibility to find a replacement should find you are unable to cover a specific date assigned to you. With each member helping, you will likely be looking at 3-4 times in the year. There are 4 people working each session, one of which is the coordinator.

The coordinator is the individual who oversees the session and makes certain that the paperwork etc. is completed. We can use as many coordinators as possible, as the more we have, the fewer sessions they would need to work. We are able to offer extra volunteer points for the coordinators, as they work more often and are responsible to make phone calls a week prior to remind their teams.

If there are any dates you are not available, let Kelly know ASAP as the schedule will be done up shortly after registration, at least up until Christmas. New workers will be teamed up with veterans, and the schedule will be posted on our board upstairs at the Y, emailed to you and posted on our website. We want you to realize how valuable you are to the club by participating in Bingos and most of all.....

HAVE FUN!

Any questions?
